“Student at top-ranked universities in Europe and Asia with strong academic record. Experienced in leading cross-cultural teams through marketing and consulting projects. Fluent in 4 languages and skilled in Python, R, SQL, and Excel, with a passion for strategy, data-driven problem solving and ready to make an impact.”

EDUCATION

Bocconi University

Milan 2023-present

Bachelor in INTERNATIONAL ECONOMICS AND MANAGEMENT

My course, BIEM, is an English-taught program focused on global economics, business management, and quantitative analysis. I have led team projects in Marketing and Management. I have also deepened my knowledge in data analysis by completing courses in *economic, management, computer science, and mathematics, statistics, accounting, financial system, Corporate finance* with an overall GPA of 28.5 out of 30.

Peking University (Guanghai School of Management)

Beijing 2025-present

Double Degree Program in Business Administration

I have been selected for the “Future Leaders” International Undergraduate Double-Degree Program as a part of the collaboration between Peking University and Bocconi University. The program combines students with a great sense of leadership, from top-tied Business School around the world in the most prestigious university in China.

Liceo Scientifico G.B Quadri

Vicenza 2018-2023

High School Diploma (96/100)

Strong focus on mathematics, science, and critical thinking. Liceo Scientifico provides a rigorous education in subjects like physics, chemistry, and advanced mathematics, alongside humanities.

WORK EXPERIENCE

Deasystem Intern, Vicenza (2022) I had the opportunity to work with Deasystem. My role involved collaborating with the marketing team in achieving their objectives, which included the successful launch of the company's app. This experience allowed me to gain valuable insights into marketing strategies and the importance of teamwork in a professional setting.

180 Degrees Consulting Beijing (2025) The world's largest university-based consultancy for nonprofit & social enterprises. The first branch of the world 180D family within Mainland China. We developed innovative solutions to the challenges non-profits in the area are facing.

Bocconi Chinese Student Association Business Team Member (October 2024) I have joined the Business Team I organize events and activities with International companies and professionals that have their interests towards international investments: including a conference with Alibaba. I also had a firsthand experience in consulting.

Volunteer Italian Teacher for Foreigners, Liceo Scientifico G.B. Quadri (2021-2022) I volunteered as an Italian teacher for foreigners in difficulty. This experience was incredibly rewarding as it allowed me to help students integrate better into the community.
